Paediatric Infections:

**clinical assessment
and current treatment
strategies**

Grange City Hotel, London

14th & 15th June 2010

12 CPD POINTS APPLIED FOR

Objectives

Paediatric Infections brings together leading experts in the fields of paediatrics, infectious diseases, immunology and microbiology to discuss the central issues and current challenges involved in the management of paediatric infections.

It is anticipated that participants will benefit from:

- A comprehensive overview of current and future vaccination programmes in the UK
- Updates on the advances in treatment of common infections including childhood sepsis, fevers, measles, GI infections, viral and bacterial pneumonia, influenza and tuberculosis
- Expert advice into how to deal with parental concerns about vaccine safety
- Further understanding of current and future strategies for preventing pneumococcal infections
- Focus on meningococcal disease including differential diagnosis, management of bacterial meningitis and septicaemia and prevention of complications
- Instructive case studies on management of viral and bacterial infections
- An opportunity to share and exchange ideas with leading practitioners in the field

Who should attend?

Paediatric Infections will be of particular interest to the following:

- Paediatricians
- Specialists in infectious diseases
- Immunologists
- General practitioners
- Microbiologists
- Virologists
- Specialists in paediatric intensive care
- Directors of children's services
- Specialists in vaccination
- Specialists in public health
- Clinical nurse specialists
- Nurse practitioners
- All trainees in these disciplines

Booking conditions

MA Healthcare Ltd (The Company) accepts bookings under the following conditions:

1 All correspondence will be sent to the participants at the address specified on the booking form or over the telephone. (This address will also appear on the official participant's list).

2 The completed booking form together with full payment must be sent to MA Healthcare Ltd. A confirmation will then be issued. Cheques should be made payable to **MA Healthcare Limited**. Returning the signed registration form constitutes a firm booking.

3 Bookings may be made by telephone but payment must be made in full by credit card.

4 All payments, including credit card, must be in sterling.

5 The Company reserves the right to cancel a booking if payment is not made six weeks prior to the conference taking place. Any outstanding payment becomes the responsibility of the signatory made on the reservation form.

6 Payment for any booking made within six weeks of the conference will still be due to the company irrespective of whether the delegate attends.

7 Should you be unable to attend, a substitute delegate may take his/her place. Notification must be received in writing one week prior to the conference.

8 The Company reserves the right to change the conference speakers in cases of illness or other conditions beyond its control.

9 The Company does not accept responsibility for loss or damage to delegates' own property and/or personal effects caused by events beyond its control, including (but without limitation) fire, flood, strikes, civil disturbances or for consequential loss or damage of any kind whatsoever.

10 Speakers approached at time of print.

Cancellation of booking

Written cancellations received six weeks prior to the conference will be accepted and a refund of 90% of the booking charge will be made. After this date, no refunds can be given. Verbal cancellations will not be accepted.

If written cancellation is not received six weeks prior to the conference full payment will still be due irrespective of whether the delegate attends the conference.
